July Newsletter Issue. No. @ 8th. July 1966. Price 5c.

Official Journal of the Melbourne University Mountaineering Club.

Editorial.

This edition of the Mountaineer marks the beginning of a new experiment. In order to keep members of the club aware of what is going on in the club, your committee has decided to issue a monthly newsletter and a tri-monthly magazine like the old Mountaineer.

The newsletter will contain a trips programme and other short articles and announcements (ie. drivel from committee meetings).

To do this we will need an editor to produce the newsletter once every month, preferably some one who is at the "Shop" from day to day. The club needs YOU.
